Student Information Sheet (10 Points)
This year I am happy to introduce our new student/parent portal "PARENTVUE" and "STUDENTVUE", which will be available to you starting September 16, 2013. You will be receiving information from the district office on how to register for this great new tool soon. You will receive class credit if you register between 9/16/13 and 9/23/13!

Please use my class website: [http://laurasugden.weebly.com](http://laurasugden.weebly.com) to see our schedule of assignments and downloads. I have put a link to this website on "STUDENT/PARENTVUE" for you as well. I recommend checking the website once a week. New schedules are posted on Mondays usually, after school.

Please take a few minutes to fill this information sheet when you get home on the first day of school. This information will be used to help get to know the students in my class more quickly. This is a graded assignment (10 points) and should be signed and dated by your parent! This assignment is due the second day of class! Any information on this sheet will be kept in the strictest confidence!
